

Adam Mills Foundation Auction

We are excited to announce the 1st annual Love like Adam fundraiser auction. This auction is set to be our biggest fundraiser to help kids, all around, participate in sports.

The Adam Mills Foundation is a nonprofit organization focused on encouraging and supporting kids in youth sports. We just recently completed our 1st annual Operation New Year athlete equipment drive, which was covered on WBTV News. This drive donated sports equipment to many kids in and around the county, giving them all the opportunity to participate in their local sporting events. Along with providing sports equipment to those in need, we also offer youth scholarships. These scholarships range from providing financial assistance to young athletes to help cover the funds of participation, travel, equipment and more. Just recently we covered 2 kids unable to afford association fees, donated to 2 schools in desperate need of equipment, uniforms etc. and awarded 2 Seniors \$500(each) College Scholarships based on their Community Service. The activeness in sports is very important, proven research, it greatly improves the mental and physical health of our youth. Please help us in lending a hand to those who just want their children to be involved with sports.
